

Product datasheet: Mobile air conditioning units to Regulation (EU) No. 626/2011

		ACP 26 S
		202814
Manufacturer		STIEBEL ELTRON
Sound power level (indoor only) (EN 12102) (LWA)	dB(A)	63
Refrigerant		R290
GWP		3
Information on GWP		Refrigerant leakage contributes to climate change. Refrigerant with a lower global warming potential (GWP) would have less impact on global warming than refrigerant with a higher GWP if it escapes into the atmosphere. This appliance contains a liquid refrigerant with a GWP of 675. This means that the effect of 1 kg of this refrigerant escaping into the atmosphere has an impact on global warming that is 675 times higher within a period of 100 years than that of one kilogramme of CO2. Never try to handle the refrigerant or disassemble the product yourself. Always contact a specialist.
Rated EER in cooling mode (EER rated)	EER	2,8
Energy efficiency class		A
Power consumption per hour (QSD)	kWh	0,9
Rated output in cooling mode (P rated)	kW	2,6
