

Product datasheet: Product information on electric local space heaters to Regulation (EU) 2024/1103

|                                                                                                           |    | TBS TC 200/2 Set Plus |
|-----------------------------------------------------------------------------------------------------------|----|-----------------------|
|                                                                                                           |    | 205818                |
| Manufacturer                                                                                              |    | STIEBEL ELTRON        |
| Rated heating output P <sub>nom</sub>                                                                     | kW | 0,4                   |
| Maximum continuous heat output P <sub>max,c</sub>                                                         | kW | 0,4                   |
| Energy consumption in idle mode P <sub>idle</sub>                                                         | W  | 0,56                  |
| Energy consumption in standby mode with display                                                           |    | -                     |
| Seasonal energy efficiency in active mode η <sub>s,on</sub>                                               | %  | 96,0                  |
| Type of heating output/room temperature control: Single stage heating output, no room temperature control |    | -                     |
| Type of heating output/room temperature control: Two or more manual stages, no room temperature control   |    | -                     |
| Type of heating output/room temperature control: Room temperature control with mechanical thermostat      |    | -                     |
| Type of heating output/room temperature control: With electronic room temperature control                 |    | -                     |
| Type of heating output/room temperature control: Electronic room temperature control plus day timer       |    | -                     |
| Type of heating output/room temperature control: Electronic room temperature control plus week timer      |    | x                     |
| Other control options: Room temperature control with presence detection                                   |    | -                     |
| Other control options: Room temperature control with window open detection                                |    | x                     |
| Other control options: With distance control option                                                       |    | -                     |
| Other control options: With adaptive start control                                                        |    | x                     |
| Other control options: With working time limitation                                                       |    | -                     |
| Other control options: With black bulb sensor                                                             |    | -                     |
| Other control options: with self-learning function                                                        |    | -                     |
| Other control options: with control accuracy                                                              |    | x                     |
