

Product datasheet: Temperature control to Regulation (EU) No 811/2013 (S.I. 2019 No. 539 / Programme 2)

|                                                                                                         |   | MSMW           |
|---------------------------------------------------------------------------------------------------------|---|----------------|
|                                                                                                         |   | 074519         |
| Manufacturer                                                                                            |   | STIEBEL ELTRON |
| Temperature control class (in inverter heat pump)                                                       |   | VI             |
| Temperature control class (in ON/OFF heat pump)                                                         |   | VII            |
| Contribution of temperature control to seasonal space heating energy efficiency (in inverter heat pump) | % | 4,0            |
| Contribution of temperature control to seasonal space heating energy efficiency (in ON/OFF heat pump)   | % | 3,5            |
