

**Product datasheet: Conventional water heaters to regulation (EU) no. 812/2013 and 814/2013 / (S.I. 2019 No. 539 / Schedule 2)**

|  |       | <b>UFP 5 h + VL</b> |
|--|-------|---------------------|
|  |       | 222159              |
| Manufacturer   |       | STIEBEL ELTRON      |
| Load profile   |       | XXS                 |
| Energy efficiency class                                |       | A                   |
| Energy conversion efficiency                           | %     | 38.00               |
| Annual power consumption                               | kWh   | 491                 |
| Default temperature setting                            | °C    | 55                  |
| Sound power level                                      | dB(A) | 15                  |
| Option for exclusive operation during off-peak periods |       | -                   |
| Special information on measuring efficiency            |       | None                |
| Smart function   |       | -                   |
| storage volume V                                       | l     | 5.00                |
| Mixed water volume at 40 °C                            | l     | 10                  |
| Daily power consumption                                | kWh   | 2.276               |
