

ENERGY

STIEBEL ELTRON

WPC 07

Energy label for heating system. It features a boiler icon, a radiator icon, and a tap icon labeled 'XL'. The energy efficiency is indicated by two black arrow-shaped boxes: the top one contains 'A++' and the bottom one contains 'A'.

Energy label for radiator. It features a radiator icon and a bar chart showing energy efficiency levels from A+++ (green) to G (red). A black arrow-shaped box on the right contains 'A++', indicating the product's efficiency level.

Energy label for tap. It features four icons: a solar panel, a hot water tank, a control panel with a hand pointing at it, and a boiler. Each icon is preceded by a blue plus sign and followed by a blue square box. The bottom-right box contains a white 'X' on a black background.

Energy label for tap. It features a tap icon labeled 'XL' and a bar chart showing energy efficiency levels from A+++ (green) to G (red). A black arrow-shaped box on the right contains 'A', indicating the product's efficiency level.
