

ENERGY

STIEBEL ELTRON

WPL 17 ACS classic UK flex Set S

Icons representing energy efficiency for heating and hot water. On the left is a boiler icon with three wavy lines. To its right is a black arrow pointing left with 'A++' written on it. Further right is a radiator icon. Below these is another black arrow pointing left with 'A++' written on it, followed by a tap icon.

Energy efficiency scale for heating. At the top is a radiator icon. Below it is a scale of ten horizontal bars, each representing a rating from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (dark red). To the right of the scale is a black arrow pointing left with 'A++' written on it.

Energy efficiency icons for various features. Each icon is preceded by a blue plus sign and followed by a square box. From top to bottom: a solar panel icon with a sun, a hot water tank icon with wavy lines, a control panel icon with a hand pointing at a button, and a boiler icon with three wavy lines. The boxes are empty, except for the third one which contains a black 'X'.

Energy efficiency scale for hot water. At the top is a tap icon. Below it is a scale of ten horizontal bars, each representing a rating from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (dark red).
