**STIEBEL ELTRON**

HPG-I 12 DS Premium

Energy label for heating system components. It features a radiator icon with an **A+++** arrow pointing left, a boiler icon with an **A** arrow pointing left, and a tap icon with **XL** text.

Energy label for a radiator. It shows a radiator icon at the top left and a large **A+++** arrow pointing left on the right side. A vertical scale of energy efficiency classes is shown in the center, with **A+++** at the top (green) and **G** at the bottom (red).

Energy label for additional features. It lists four features, each with a plus sign, an icon, and a box:
 

- Solar panel icon with a plus sign and an empty box.
- Water tank icon with a plus sign and an empty box.
- Control panel icon with a plus sign and a box containing an **X**.
- Boiler icon with a plus sign and an empty box.

Energy label for a tap. It features a tap icon with **XL** text at the top left and a large **A** arrow pointing left on the right side. A vertical scale of energy efficiency classes is shown in the center, with **A+++** at the top (green) and **G** at the bottom (red).
