**STIEBEL ELTRON**

WPL-A 07 HK Premium compact duo Set 1.1

Energy label for heating system components. It features a central icon of a boiler with three wavy lines. To its right is a black arrow pointing left with 'A+++'. Further right is a radiator icon. Below the boiler icon is another black arrow pointing left, and to its right is a tap icon.

Energy scale for heating system components. It shows a radiator icon at the top left. To the right is a black arrow pointing left with 'A+++'. Below the radiator icon is a vertical scale of ten horizontal bars, each representing an energy class from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (red).

Energy label for additional features. It consists of four rows, each with a plus sign, an icon, and a square box. The first row has a solar panel icon and an empty box. The second row has a hot water tank icon and an empty box. The third row has a control panel icon and a box containing an 'X'. The fourth row has a boiler icon and an empty box.

Energy scale for hot water tap. It features a tap icon at the top left. Below it is a vertical scale of ten horizontal bars, each representing an energy class from A+++ to G. The bars are colored: A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange-yellow), C (orange), D (red-orange), E (red), F (dark red), and G (red).
