WPL 17 ACS classic compact plus Set 1.1

Energy label for heating system showing a boiler icon, a radiator icon, and a tap icon. The label features a black arrow pointing left with 'A++' written on it, indicating the energy efficiency class.

Energy efficiency scale for heating system. The scale consists of horizontal bars of varying lengths and colors, representing energy efficiency classes from A+++ (green) to G (red). A black arrow on the right points to the A++ class.

Energy label for hot water system. It features four rows, each with a plus sign, an icon, and a square box. The icons are: a solar panel, a hot water tank, a hand pointing to a control panel, and a boiler. The boxes are empty, except for the third one which contains an 'X'.

Energy efficiency scale for hot water system. The scale consists of horizontal bars of varying lengths and colors, representing energy efficiency classes from A+++ (green) to G (red). A tap icon is shown at the top left.
