

## Product datasheet: Conventional water heater to Regulation (EU) No 812/2013 | 814/2013 / (S.I. 2019 No. 539 / Programme 2)

|                                             |            | WO 5 M             |
|---------------------------------------------|------------|--------------------|
|                                             |            | 222160             |
| Manufacturer                                |            | Zanker Haustechnik |
| Load profile                                |            | XXS                |
| Energy efficiency class                     |            | A                  |
| Energy conversion efficiency                | %          | 38                 |
| Annual power consumption                    | kWh / Jahr | 487                |
| Sound power level LWA                       | dB         | 15                 |
| Option for operation only at off-peak times |            | -                  |
| Cylinder volume V                           | ı          | 5                  |
| Mixed water amount at 40 °C                 | ı          | 10                 |
| Daily power consumption                     | kWh        | 2                  |
