Energy label for heating system components. It shows a radiator icon with an arrow pointing to **A+++** and a boiler icon with an arrow pointing to **A**. There is also a tap icon with **XL** next to it.

Energy scale for heating system components. It features a radiator icon at the top and a large arrow pointing to **A+++** on the right. The scale consists of horizontal bars of varying lengths, color-coded from green (A+++) to red (G).

Energy label for additional features. It lists four features, each with a plus sign, an icon, and a box:

- Solar panel icon with a plus sign and an empty box.
- Water tank icon with a plus sign and an empty box.
- Control panel icon with a plus sign and a box containing an **X**.
- Boiler icon with a plus sign and an empty box.

Energy scale for additional features. It features a tap icon with **XL** next to it at the top and a large arrow pointing to **A** on the right. The scale consists of horizontal bars of varying lengths, color-coded from green (A+++) to red (G).
