Energy label for heating system components. It features a boiler icon, a radiator icon, and a tap icon with 'XL' next to it. The boiler icon is associated with an A++ energy class arrow, and the tap icon is associated with an A energy class arrow.

Energy label for a radiator. It features a radiator icon and a color scale from A+++ (green) to G (red). A large black arrow on the right indicates an overall energy class of A++.

Energy label for additional features. It lists four features with plus signs and checkboxes: solar panels, hot water tank, touch control, and boiler. The touch control feature has a checked box with an 'X' inside, while the others are empty.

Energy label for a tap. It features a tap icon with 'XL' next to it and a color scale from A+++ (green) to G (red). A large black arrow on the right indicates an overall energy class of A.
